Jane Lizotte, Principal

Sherwood Middle School partners with the Shrewsbury Community.

Students gain real-world experience.

An act of kindness, a labor of love, a mitzvah, a good deed...

There are so many ways to describe the simple act of giving.

Regardless of what you call it, it all begins with one thought, one commitment, one action, one voice.

At Sherwood Middle School, it begins with Student Voice.

Please contact Dr. Lizotte (jlizotte@shrewsbury.k12.ma.us), if you have ideas for future community service projects, or if you are interested in volunteering or donating materials. Thank you!
